- **SHOWER GEL**
- **LOTION**
- **HAIR SHAMPOO** - a viscous, yellowish cream pleasantly perfumed product used for hair shampoo.
- **SOILEX MINI GUEST SOAP** - Available in white and perfumed, packed in 144x25gms.

# **FLOORCARE PRODUCTS**

- Our range of Soilex Floor Chemicals are formulated to clean and care for all types of floors. It is effective for polished floors, wooden, marble, sandstone, terrazzo, ceramic, porcelain, granite and rustic tile floors.
- The Floor care range compromises of cleaners, finishers, maintainers and strippers.

# FLOOR CLEANERS

- **SOILEX SUPWASH** - a general purpose detergent containing surface active ingredients, stabilizers and dirt suspending agents. It can be used on floors, car bodies, dish washing (hands), walls and doors.
- **EXCON** - a highly concentrated neutralized dish/utensil washing and general purpose cleaner. It penetrates, emulsifies and suspends fats and oils.
- **FLOREX** - a free flowing washing powder suitable for degreasing floors.
- **SUPA CLEAN**- a concentrated alkaline general purpose industrial product that can be used on greasy floors, engines, fat fryers, oven vents and canopies.
- **FLOKLIN** - a mildly alkaline free flowing powder that removes soil from floors, including grease and oily spots.
- **FLOCHOR** – a sanitizer used for floors, walls, doors and working surfaces.

- **SOL DESCALER** – strong acidic product used for removing rust and grease on metallic surfaces.
- **SOILUBE** - a clear thick viscous industrial product.

## **STRIPPERS**

- **SOL STRIPPER** - an effective product used for the removal of all emulsion floor polish.
- **SOLVENT CLEANER** - a heavy duty solvent wax stripper for all types of solvent polishes on wood and wooden surfaces.

## **FINISHERS / POLISHES**

- **SOILEX WOOD WAX** - a heavy duty liquid cleaning and polishing wax, recommended for use on wooden floor. If used and buffed regularly it increases the life span of a wooden floor.
- **SOL EMULSION POLISH** - a high solid, self shining polish metallized to give a long lasting high gloss effect.

## **MAINTAINERS**

- **SOL MAINTAINER** – cleans floors and maintains gloss longer, giving all emulsion finished floors a shine.

# **WORKSHOP PRODUCTS**

- **SOILWASH** - a disinfecting alkaline cleaner used for greasy surfaces.
- **SOL GEL** - a neutral yellow gel used for oil and grease removal from hands.

## **SPECIALITY PRODUCTS**

- **METALLA T150** – clear liquid for restoring shine to metal utensils, staircases, bars etc.
- **SOL DESCALER** - strong acidic product used for removing dust and grease on metallic surfaces.
- **SOL ERASER 10** – free flowing off white powder suitable for cleaning and deg-greasing recycled plastic materials.

# **DAIRY PRODUCTS**

- **CIPEX MF** – a free flowing highly alkaline powder product for cleaning dairy vessels and pipes in C.I.P.
- **SOLINOID** – clear acidic product for descaling catering dishwashers, equipment and surfaces.
- **ACYDEX** – a highly acidic clear to yellowish liquid for cleaning dairy stainless steel vessels and pipes. Can also be used for descaling.
- **SOILCLEAN 3000** – heavy duty liquid caustic cleaning compound with surface active agents designed for C.I.P. circulation cleaning in the food industry.
- **VISCO LUBE**
- **SILOXEN**
- **SOL CREAM D** – a hand cream for washing. It is non perfumed and suitable for food areas.

# **POOL CHEMICALS**

- **SOILEX ALGICURE** - a broad spectrum microbicide for Algae growth control.
- **SOILEX FLOCCULANT** - an iron free flocculent for use in contaminated swimming pools.
- **SOILEX POOL ANTISTAIN**
- **SOILEX POOL TOUCH** - used to control growth of algae in swimming pools.
- **SOILEX pH PLUS**
- **SOILEX pH MINUS**
- **SUPER CHLORINE 90%** - a powder form used as a sanitizer in swimming pools to kill bacteria, control algae and oxidize organic contaminants.
- **SUPER CHLORINE 65%** - a powder form used as a sanitizer in swimming pools to kill bacteria, control algae and oxidize organic contaminants.

# **ACCESSORIES**

- **Brushes & Brooms** – Scrubbing brushes, lavatory brushes, sweeping brooms, brass brooms, bannister & carpet brushes, cobweb brushes, mop heads, floor squeegees & scrapers, broom handles.
- **Waste Paper Bins & refuse sacks**
- **Hand Pads, Sponges & Scourers**
- **Tea Cloths** - Floor & Dish Cloths. Face & Hand Towels. Yellow dusters.
- **Safety Products** - Latex Gloves. Heavy Duty Gloves. Nitrile Gloves. Dust Masks. Caution Signs.
- **Aerosols** - Air Freshener Sprays & Automatic Air Freshener Dispensers. Wood & Furniture Polish. Insecticides.
- **Buckets & Bowls** - Standard & Heavy Duty Buckets.
- **Disinfectant & Bleaches** – Toilet Disinfectant Balls, Bar Soap, Guest Soap.
- **Toilet Paper & Paper Towels**
- **Dispensers & Driers** – Toilet paper dispensers, paper towel dispensers, soap dispensers, hand driers.

# Milliken Mats

Stops 80% dust, dirt and moisture brought into a building within the first 10 – 30 feet.

## **CLEANLINESS**

Up to 90% of soil entering a facility is walked in through the front door, which can result in several kilos of dirt brought in per day.

## **COST SAVING**

Efficient matting can save up to 65% of cleaning costs dedicated to floors.

## **BRANDING**

Logo mats / themed mats allow you to make a great 1<sup>st</sup> impression.

## **HEALTH & SAFETY**

Effective matting helps keep floors dry and safe.

- **The Obex modular tile system allows limitless combinations of designs and colours to reflect interior decoration or create a fantastic feature in an entrance.**
- **Suitable for intense traffic – up to 5000 people a day!**

## Design Options :

Line Across

Volcano Frame

Stripes

Diamond

- **Complete barrier matting system consisting of 3 coordinated products.**
  - **PRIOR** – a modular tile matting working primarily as a scraper which can be placed outdoors or installed in a recessed matwell in combination with Forma.
  - **FORMA** – highly functional modular matting concept scrapes and absorbs dirt and moisture.
  - **ATRIUM PLUS** – secondary matting solution with Obex Textile anchored on long lasting nitrile rubber backing for individual loose laid mats, or combined with PVC backing for long runners and walls to wall installations.

# CERO SCRAPER PLUS

- Most of the dust and dirt in a building is brought in by pedestrian traffic.
- Cero Scraper provides the ultimate solution against that type of floor contamination, stopping it literally at the door, minimizing the hazard of slippery floors.
- Monfilament fibers work as tough scrapers, combined with a high twist and heat set bicolour multifilament yarn designed for dirt and moisture absorption.

# MATS – COLOUR SYMPHONY HD

**Representing advanced dye injection technology, the Colour Symphony system allows the creation of high performance mats, featuring beautiful patterns, photo realistic images and logos.**

- **Palette of 150 standard colours, creating rich and saturated solid shades, as well 16 million other colour possibilities.**
- **Higher Definition, clearer text and more realistic effects (operating at 20 dots per ink) allowing greater clarity of design, finer text definition, shadowing, shading and 3D effects.**

# MATS – COLOUR SYMPHONY HD

## LOGO / THEMED MATS

# **FILTERS**

- **Soilex are stockists of Eaton's filtration products.**
  - **Eaton is a global leader in filtration products.**
- **Lead the way with technology that meets the growing and rigorous demands of vital industrial sectors, utilizing a variety of filtration technologies.**
- **We deal in 'Bag & cartridge filter' for all types of liquid filtration. We supply housing & Filter media for the following industries:**
  - **Pharmaceuticals**
  - **Edible Oil**
  - **Automotive**
  - **Paints, inks & resins**
  - **Food & Beverage**
  - **Water treatment etc.**

# FILTER HOUSING

- **ECO LINE RANGE**- light weight bag filter housing combining quality & value. Often the best choice for cost sensitive applications, as they are easy to install and feature a quick opening V damp cover for easy bag change-out.
- **EcoCart SINGLE CARTRIDGE FILTER HOUSINGS RANGE** - EcoCart (EFK) 'E' series cartridge filters are made for double open end cartridges. They consist of a head and a sump, connected by a center rod with a cup nut.

# FILTER BAGS

- **SNAP RING FILTER BAGS** - These are manufactured from the best available materials. Eaton produces these filter bags under ISO 9001 quality control standards ensuring that the filter bag you get today will perform exactly as the same one used last month or last year.
  - There will be no variations in performance to compromise the quality of your filtration process.

# **MACHINERY**

Soilex are stockists for Truvox International's Machinery.

- Rotary Machines (Orbit & Valet Range)
- Vacuum Cleaners (Hydro-mist & Multi-wash)
- Manual Sweepers (Tru Sweep 460)

# ORBIS RANGE

Range of disc rotaries that offer exceptional handling and cost effective solutions for spray cleaning and polishing hard floors.

# **ORBIS 200 & 400**

- Ideal for carpet shampooing and bonnet mopping.
- High productivity, 1100 watt motor.
- High pad / brush pressure for effective cleaning.
- Ergonomic design for operator comfort and ease of use and comfort on long cleaning shifts.
- Safety interlock and dead man's switch built into the handle for increased user safety.

# VALET AQUA VACUM RANGE

## VALEY AQUA 20 HEAVY DUTY

This is a wet/dry vacuum for commercial use. It is ideal for use in factories, superstores, educational facilities, leisure centers and other demanding locations.

# VALET AQUA 55 HEAVY DUTY

This is a wet/dry vacuum cleaner for heavy duty commercial applications. It helps in maintaining a safer working environment – i.e. by avoiding slip hazards by removing spillages.

# VALET AQUA 55 INDUSTRIAL

A wet/dry vacuum cleaner with an 18 gauge stainless steel tank for long lasting durability. It is perfect for hard floor maintenance jobs, recovering floor strippers and hard floor cleaners.

# VALET AQUA 75 INDUSTRIAL

This is an industrial twin motor wet / dry vacuum cleaner. Twin motors give the airflow required for extreme heavy duty performance.

# VALET COMMERCIAL UPRIGHT

This robust upright vacuum is ideal for commercial vacuuming in offices, schools, hotels and education facilities.

# VALET BACKPACK

The Valet Back Pack is ideal for demanding environments such as theatres, cinemas, buses and trains, as it offers radically improved productivity, long term user comfort and ease of use.

# VALET 10

The Valet 10 is a compact, lightweight maneuverable and yet powerful vacuum tabs that gives exceptional cleaning power.

# HYDROMIST CHAMP

- All in one spray extraction machine for carpet & upholstery cleaning.
- Carpet spray extractor.
- Powerful in built rotary brush lifts dirt from
- deep within the carpet.
- Quick fit spray jet for easy cleaning and maintenance.
- Robust construction, built for minimum maintenance.

# MULTI WASH

This is the most versatile and effective machine, used for high quality floor cleaning performance. It can be used on both hard floor and soft floor covering, travelators, escalators and entrance matting.

It is particularly effective in cleaning tile grout and non slip safety floors.

# TRU SWEEP 460

A manual sweeper perfect for small warehouses, pavements and parking areas where power is not easily accessible for a powerful sweeper is not affordable.
