LAUNDRY PRODUCTS

- Our highly appreciated range of Laundry products are manufactured using premium grades of raw material, which are sourced from trusted vendors. We make sure that the products offered are assured on the parameter of effectiveness, purity and eco-friendliness.
- These are used in commercial as well as domestic sectors.
- Our fabricare chemicals comprise of detergents, additives and spotters.

LAUNDRY DETERGENTS

- **DIRTEX LP20** – a powerful cleaning powder that can be used on all types of linen and colour (suitable for both machine and hand wash on soft water)
- **DIRTEX LP21** – a premium high cleaning low foam powder. It has anti-corrosion agents for pipe work and machine longevity. The product also has brightening agent used for both white and coloured laundry.
- **DIRTEX LP22 & LP22B** – a powerful cleaning powder for use on all laundry.
- **SEF M** – a low foaming perfumed liquid laundry detergent for washing fabrics.
- **SEF HANDWASH** – an alkaline product for washing fabrics by machine or hands.
- **SEF K** – an alkaline product for washing fabrics by machine or hand.

LAUNDRY BLEACH

- **DIRTEX LP40** – a strong bleaching powder based on chlorine for white clothes only. Bleaches food, fruit, tea, coffee and other stains.
- **DIRTEX LP50** – bleaches and disinfects linen simultaneously.
- **SOL HYPOCHLORITE**– a chlorine based disinfectant with a wide range of bacterial kill.

LAUNDRY WHITENESS RESTORES

- **DIRTEX LP60** – a laundry powder for restoring whiteness in yellowing laundry. Removes rust, colours and fruit stains.
- **SOL RUST** – free flowing granular product for removing rust.

LAUNDRY FABRIC SOFTENER

- **DIRTEX LP70** – a neutral liquid product for fabric softening with antistatic properties.

LAUNDRY EMULSIFIERS

- **DIRTEX LP80** – a liquid additive for oil, grease and fat removal on laundry (can also be used to clean carpets and other fabrics including wool).

LAUNDRY FABRIC SPOTTERS / STAIN REMOVERS

- **DIRTEX LP100** – A powerful agent for excessive soil and stain removal.
- **DIRTEX LP110** - suitable for all types of linen and colours. It contains surfactants and organic solvents and is a powerful soil removing agent.
- **SOL ALUMEX** - powder for aluminum stain removal.
- **SOL RUST OFF** - a highly acidic product for removing metallic rust from garments and surfaces.

LAUNDRY FABRIC SPOTTERS / STAIN REMOVERS

- **PRENETT A** - A pre-spotter that can be used to remove tea, coffee and fruit stains.
- **PRENETT B** - A pre spotter used for the removal of blood, protein, milk, perspiration, starch and other similar stains.
- **PRENETT C** - A pre - spotter used for cosmetics, wax, varnish and ink stains.

LAUNDRY STARCH

- **SOILEX LAUNDRY STARCH**- gives your clothes a crisp, clean look of clothes, without high prices of dry cleaners. It also makes ironing much easier.
