# TOTAL CLEANING SOLUTIONS

- Flexible Product Formulations
- Single Source of products and accessories
- Technically competent staff
- Locally produced, high quality industrial products.
- A 5 step service concept focused on helping customers solve their cleaning problems and improve profitability.
- Competitive pricing
- Tailor made solutions.

# TRUVOX INTERNATIONAL

Soilex are stockists for Truvox International for industrial and commercial cleaning machinery.

# ROTARIES

- The rotaries range includes machines for stripping, scrubbing, wet and dry polishing and shampooing.
- Versatile, economical and powerful enough for the toughest floor maintenance demands.

# ORBIS RANGE

- Range of single disc rotaries offer exceptional handling and cost effective solution spray cleaning and polishing hardwood floors.
- Ideal for carpet shampooing and bonnet mopping.
- High productivity – 1100 watt motor.
- High pad / brush pressure for effective cleaning.
- Ergonomic design for operator comfort and ease of use.
- Low vibration levels = greater use of comfort on long cleaning shifts.

# ORBIS RANGE

- Superb Performance
  - High productivity
  - No corrosion means less maintenance
  - Off set motor for ease of use and speed.
- Handling
  - Unique decoupling system maximizing operator comfort
  - Mechanical soft start means no kick
  - Superbly balanced.

# ORBIS RANGE

- Easy to use
  - All control on the handle
  - Minimum training required.
  - Large wheels providing maneuverability.
  - Designed with operator comfort.
- Safe to use
  - Power on indicator light
  - Thermal cut out to protect motor
  - High visibility cable
  - Dual handed safety interlock.

# ORBIS RANGE

- Spray cleaning
  - An attachment for Orbis models
- Vacuum Kit
  - Provides excellent dust control in critical environments such as hospitals.
- Solution Tank
  - Improves productivity when scrubbing / stripping

# ORBIS 200 – Heavy Duty

- Ideal for carpet shampooing and bonnet mopping.
  - High productivity
  - 200 rpm heavy duty model available with 8kg extra weight that gives increased pad / brush pressure for more aggressive cleaning.
  - High pad / brush pressure for effective cleaning.
  - Ergonomic design for operator comfort and ease of use.
  - Low irritation levels = greater use of comfort on long cleaning shifts.
  - Single disc rotaries have optional solution for wet scrubbing.
  - Optional spray attachment to provide greater cleaning results.
  - Safety interlock and dead man's switch built into the handle for increased user safety.
- Comprehensive range of accessories to suit all cleaning needs.

# ORBIS 400

- High productivity – 110 watt motor
- High pad / brush pressure for effective cleaning
- Ergonomic design for operator comfort and ease of use.
- Low vibration level means greater use of comfort on long cleaning shifts.
- Single disc rotaries have optional solution tank for wet scrubbing.
- Optional spray attachment available to provide greater cleaning results.
- Safety interlock and dead man's switch built into the handle for increased user safety.
- Comprehensive range of accessories to suit all cleaning needs.

# INJECTION EXTRACTION

## HYDROMIST COMPACT

# HYDROMIST COMPACT

- All in one spray extraction machine for carpet & upholstery cleaning.
- Easy to use all in one machine.

- Complete tool kit included

# VALET BACKPACK

Ideal for  
commercial  
use.

Clip on  
operating  
switch for  
operator  
ease of use.

Ergonomic  
back support

# VALET 10

- Low noise level.
- Compact and lightweight construction.
- Excellent maneuverability.
- Dust bags for clean and tidy emptying.
- Complete tool kit included.

# VALET 10

Ideal for commercial use.

Complete tool kit included.

# SCRUBBER / DRIES

## MULTI WASH

- This is the most versatile and effective machine, used for high quality floor cleaning performance. it can be used on both hard floor and soft floor covering, travelators, escalators and entrance matting. It is particularly effective in cleaning tile grout and non slip safety floors.

# MULTIWASH

## The Product

- A range of products that will wash, mop, scrub and dry in a single pass.
  - Lifts dirt from virtually every kind of floor surface.
  - Leave floors ready to walk on in minutes.
  - Three different cleaning widths available - 24cm, 34cm and 44cm.

# MULTIWASH

## Features

- High speed productivity.
- Massive savings on chemical costs and water.
- Wall to wall cleaning that reach into the tightest corners. - Excellent manoeuvrability, no heavy pushing, pulling or lifting.
- Accessible and removable tanks for fast solution changes and emptying.
- Quiet in operation.

# MULTIWASH

## Use on any floor type

- Outstanding results on both hard floor and soft floor coverings.
- Can be used on travelators, escalators and entrance matting.
- Particularly effective in cleaning tile grout and non slip safety floors.
- Choice of brushes for intensive scrubbing, normal maintenance or smooth glazed floors.
- Side brushes are available and are the effective answer for cleaning right into corners.

# ESCALATORS / SWEEPERS

## TRU SWEEP 460

A manual sweeper perfect for small warehouses, pavements and parking areas where power is not easily accessible or a powdered sweeper is not easily affordable.

# TRU SWEEP 460

- Due to it's lightweight and robust construction this sweeper is easy to operate and highly maneuverable.
- Pick up polystyrene, leaves, crisps, cigarette ends and other debris from hard floors.
- The adjustable side brush allows for up to the edge sweeping.
- The main brush pressure can be adjusted to suit floor conditions and types of debris.

Sweeping performance of up to  
2600m<sup>2</sup>/hr

# TRU SWEEP 460

- Innovative anti-wrap technology prevents threads, wires and long thin materials from getting wound on the brush shaft.
- Large 40 litre capacity for greater productivity.
- Dirt collector can be easily removed when full.
- 60cm cleaning path provide maximum productivity.
- This side brush sweeps debris into the path of the main brush for pick up.

# TRU SWEEP 460

Suitable for  
use indoors.

40 liters dirt  
collector  
capacity.

Up to the edge  
sweeping with  
adjustable side  
brush.

# TRU SWEEP 460

Suitable for  
use  
outdoors.

Adjustable  
brush pressure  
for optimal  
pick up.
